The research behind this report was conducted within the frame of ‘Monitoring income distribution and poverty in an international context’ project of Tarki. The Hungarian version of the report was conducted under the contract between Tarki and Unicredit Bank Hungary. The publication of the English version is co-financed by the European Union and the European Social Fund. The research results and conclusions presented in the volume reflect the views of the authors and do not necessarily correspond to the views or opinions of neither of the organisations involved.
